Symbol Technologies, Inc., assignee of all interests in the above-captioned application, hereby disclaims the terminal part of any patent granted on the above-captioned application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 5,859,417 and hereby agrees that any patent so granted on the above-captioned application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 5,859,417 this agreement to run with any patent granted on the above-captioned application and to be binding upon the grantor, its successors or assigns.

Symbol Technologies, Inc. does not disclaim any terminal part of any patent granted on the above-captioned application prior to the expiration date of the full statutory term of U.S. Patent No. 5,859,417 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is held invalid, is statutorily disclaimed in whole or terminally disclaimed under 35 U.S.C. §1.32(a), has all claims canceled by reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

✓ The evidentiary documents accompanying or referred to in this Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of the assignee's knowledge and belief, title is in the assignee seeking to take action.
